19thC Samson Of Paris After Chelsea Large Bocage Figure Group Gold Anchor

Price

Sold**Item Reference: SA372986****Date of manufacture: 1890**

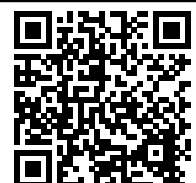

Description

Fabulous 19th century Edme Samson copy of an 18th century Chelsea figure group of young lovers against a bocage backdrop. The figures are really beautifully modelled and painted in face, hair and costume, one of the best quality pieces I've seen. The pair are sitting under a tree with a hunting dog scratching its ear, and the day's catch of a rabbit and pheasant. The back has the Chelsea style gold anchor mark. It measures 8 1/4" high, 7" wide and 6" deep. Condition is very good: just the usual few losses to the bocage. Price includes shipping within the UK. Worldwide shipping is available, please ask for a cost. Payment is accepted by Paypal, bank transfer or cheque. We wish to ensure all our customers are happy with their purchases and offer a full no quibble return policy for all items returned within 14 days (extended currently to January for Christmas gifts - T&Cs apply). Return postage is at the buyer's expense and packaging is the buyer's responsibility; items must be received back in the same condition in which they were sent.
