Sold**Item Reference: SA373078****Date of manufacture: 1910**

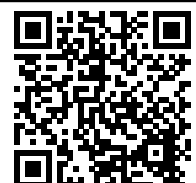

Description

Strong looking pair of antique Swedish armchairs with satin birch frames, newly re-upholstered in a linen fabric. The frames are lovely quality & the wood has a strong grain showing. They have scroll over arms, carving on the fronts, plus claw & ball feet. I would date them to around the 1910-20's period & they have just been polished. These chairs have generous proportions & are very comfortable. I believe the Swedish people refer to this wood as 'tiger birch' & you can see why when you look at the very strong light & dark grain in the wood. Width - 30.8", 78 cm Depth - 31.5", 80 cm Height - 31.5", 80 cm Seat Height - 16", 40 cm
