Description

This is a very fine and beautiful example of a ladies wristwatch made by the world renowned premier Swiss maker Omega. It has a solid platinum case surrounded by a row of European old cut diamonds which are bright, crisp and evenly matched. It is attached to a platinum plated stainless steel bracelet made by the top company of Vollmer and has a sprung comfort clasp. It fits a maximum wrist size of 6.75 inches but this can easily be reduced by any competent jeweller. The diameter of the case excluding the winding crown is 17mm. It is quite stunning with a white dial and, a new glass has been fitted and the watch case professionally cleaned and polished so it is absolutely pristine. The calibre 580 17 jewel manual winding movement is an absolute gem, sparkling clean and in like new condition, this is a movement from the golden age of Swiss watchmaking. It is fully marked as platinum on the inside of the case. As you would expect from Omega the watch is fully marked on the dial and movement. It comes complete with a new presentation box to keep your watch in perfect condition. Omega are one of the most exclusive makers in the world and this watch certainly has tha...
