Description

Beautiful condition, professionally serviced with a 12 month warranty. This is a very fine and exquisite example of a ladies wristwatch made by the world renowned premier Swiss maker Rolex. This is the Tudor model, it has a platinum case surrounded by diamonds. As you would expect the diamonds are bright, crisp and evenly matched. The design is very much of the Art Deco era. It retains its original solid 9ct white gold mesh bracelet which simply glides around the wrist. It is fully marked and will fit a wrist size from 5.75 inches up to 7.5 inches as it has a sliding clasp. The watch case is large and measures 18mm wide and 28mm long excluding the crown. It is quite stunning with a fully restored white dial which is in perfect mint condition. A new glass has been fitted and it has been professionally cleaned and polished so it is absolutely pristine. The 17 jewel movement is an absolute gem, sparkling clean and in like new condition, this is a movement from the golden age of Swiss watchmaking. As you would expect from Tudor the watch is fully marked on the dial and movement. It comes complete with a presentation box to keep your watch in perfect condition. Tudo...
