Description

This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. It is in a solid 14ct gold slimline case, IT was made by the Ross company of New York who made top of the range cases for Omega. The partnership with Ross was quite short lived and as this was the top of the range diamond set dial version this makes this a very rare Omega indeed. The movement is a standard slimline cal 620 and as you can see the dial is completely original and untouched, it is in remarkable condition. A new glass has been fitted and the case professionally polished. As you would expect the watch is fully marked on the dial, movement and case. It comes complete with a new premium quality black leather strap and a new presentation box to keep your watch in perfect condition. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch case measures 33mm in diameter not including the crown. Overall this watch is in outstanding original condition and highly sought after by Omega collectors indeed it looks as if it was rarely worn - it is elegant and quite s...
