Description

French Brass Adjustable Floor Lamp Standard Lamp This is a very attractive piece, the lamp has a telescopic action, the lamp has a decorative wrought brass base and a rope twisted upright that can be extended to raise the height of the lamp I have shown the lamp with a shade, this is not included, this is a heavy piece. The lamp has relatively new wiring (it has french 2 pin plug and this may need to be changed prior to installation) the lamp is in excellent condition, it is 24" across at the floor, it is 62" high to the bayonet and extends up to a further 8" in height JC355 We Give Free Delivery to Mainland England & Wales, to see all of our current stock please visit our web site at www.elmgarden.co.uk Delivery times vary from 7 to 28 days We only operate an online store and regrettably viewing in person is not an option.
