Description

This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Tissot. It has a 16 jewel manual wind movement, as you can see it is in fabulous condition. It has a wonderful solid 14ct rose gold case and swept horn lugs, this is set off by the ivory coloured dial. This watch is in incredible condition and looks as though it was hardly worn. The dial has been professionally restored so is perfect and the hands and winding crown are completely original. It has just been serviced and a new glass has been fitted. As you would expect the watch is fully marked on the dial, movement and case. A new high quality black leather strap has been fitted. The case is fully hallmarked. Tissot are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch case is classed as oversize and measures 36mm in diameter not including the crown. Overall this watch is in outstanding condition and highly sought after by Tissot collectors indeed it looks as if it was rarely worn. The watch has been fully serviced and is guaranteed to be a genuine Tissot in all respects...
