

SA374572

Late 19th Century Leather Screen

Price

Sold

Item Reference: SA374572

Date of manufacture: 1890

Description

A beautiful four fold leather screen, the lower leather panels are embossed, the top panels are painted in oils depicting everyday rural life, possibly Dutch. There are some areas of wear and tear compatible with age, but the general condition is good. This highly decorative piece would add character to any room. c.1895 Height: 60"(152cm) Width: 65"(165cm) Width of each panel: 16"(41cm)

Internal Ref: D152
