Description

Antique walnut circular coffee table with four nesting tables underneath. It's in wonderful original condition & I would date it to around the 1920's period. The top of the tables are made up from segmented walnut veneers which give it a stunning pattern. The shaped rims & carved legs are solid walnut. This set of tables is very stylish & beautifully made. Diameter - 30.3", 77 cm Height - 22", 56 cm
