Description

I would estimate the date of this fabulous set to date to around 1900, they came to me in this box somebody had stored them in dated 1942; they have been beautifully preserved in this box until today; given their fragility this has done them proud as they remain in superb condition. Sizes of a couple of the pieces; the boat with birds on measures 6 1/2" in length; the cart with people measures 3 1/2" x 2 1/2" x 3 3/4" tall.
