Description

Stunning fine porcelain table piece by Sevres formed as an Aladdin style lamp with a moulded griffin on the top and mask to the small reservoir at the front. It could be used as a desk stand or candle holder. Set up on a stepped, moulded pedestal on rectangular base. Imperial mark dating from 1804-1814. Beautiful deep rose ground with cartouches on either side filled with painted flowers and further floral sprays decorating the top. Fine gilded detailing all over with the mask and griffin being entirely gilded. It measures 8" long, 3" wide and 6" high. Condition is very good with no damage or restoration and only light surface wear, just a very little rubbing to the gilding.
