Description

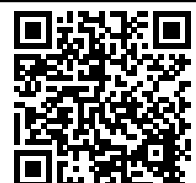

Large antique mahogany pedestal desk C 1910. This beautiful desk is of exceptional size and quality, and has recently been imported from Paris. There are nine deep and smoothly running drawers, a central mid green tooled and gilded leather with 2 further leathers on the pull out sections at the ends of the desk. The drawers are beautifully made with working locks and keys. This desk can be positioned in the center of the room with the rear of the desk matching the front, but without drawers or keys. The hide writing surface is in good condition. Shown here in absolutely lovely condition and with its all important mellow colour and antique patination, this desk is ready to use.
