Description

This is a very iconic shaped Art Deco set of tables. A main table hides 4 quarter tables, each of which has a unique feature, a hidden ash tray and all inter-slot to work as a space saver. The whole set is made from beautiful walnut and the main table is covered in the most luscious quarter walnut veneers. This really is a lovely set which would enhance any Deco setting and comes to you in excellent condition having been newly French polished. Delivery £35 to most areas - please email for an exact quote.
