Description

WW1 silver Marconi trench watch. The watch has a hand-winding movement which is working well and the time keeping is good to within around two minutes over 24 hours. The watch measures 31mm diameter excluding the winding crown and the fixed wire lugs. The case is hallmarked inside the case back for London 1914 with the maker's mark of W&D for Wilsdorf & Davis, the founders of Rolex. Marconi, along with other brands such as Unicorn and Rolco, were sold alongside the Rolex watches, as a sister brand, in order to take a bigger slice of the watch market. The watch glass is in good order. The enamel dial is in good condition with just a little paint loss to the numbers, and some of the infill has come out of the hands. A new black leather strap has been fitted. PRICE INCLUDES WORLDWIDE POSTAGE
