MARBLE TABLE LAMP

Price

Sold**Item Reference: SA376382****Date of manufacture: 1910**

Description

Circa 1920-1940 this is a tall marble column table lamp, in very good condition. It measures 41.5cm in height from the top of the lamp down excluding the height of the chrome light fitting, and the base of the lamp is 11.5cm square. We recently had it rewired for use in the UK with fabric cable, and replaced the old light fitting with a new chrome one to suit the colour of the lamp. It has a green felt cover on the base to prevent surface scratches from the marble. The light weighs 3.1kgs and is a very good quality item. Postage and package within the UK mainland only, is included in the price, and we can obtain quotes for overseas deliveries.

Internal Ref: 1337
