Description

Originating from France is this beautiful and totally authentic shop display mannequin dating to the Art Deco period. We believe that it's an unsigned Dior. She displays beautifully and would be an asset to any home or commercial setting. Ideal for dressing tables if you want to add some extra glam, displays hats and jewellery or just as she is. Made from plaster she's reasonably heavy. Condition is excellent, there are no real flaws to mention just the odd sign of her age but nothing unsightly. FREE DELIVERY within the UK
