Description

Stunning pair of mid-19th century French vases on stands by Jacob Petit. Gorgeous panels of duck egg blue with moulded and gilded lattice pattern intersected with panels of deep purple ground lavishly painted with hanging floral garlands. Scalloped rims and scrolled feet set on concave stepped stands also with the purple and blue grounds. All pieces marked J.P. in blue and the bases have an incised italicised B. They measure 22cm high altogether. The vases measure 21cm by 18cm wide and 20cm high and the stands are 20cm by 19cm and 3cm high. Condition is very good: there has been some professional restoration to the foot of one vase. Some rubbing to the gilding and surface wear to the bases from the vases' feet
