Description

A large vintage silver plated cocktail shaker in a clear Art Deco design. The top fits tightly which acts as a spirit measure and once removes has the unusual little (original) cork. The top of the Cocktail shaker once removed reveals the underside to have an integral lemon squeezer; these are the most sought-after type of Cocktail shakers, a lot of fun and very usable today. The underside has a full mark for the Birmingham silversmith A L Davenport and is also marked "Made In England". Dating to c.1930, it remains in superb condition. 9 1/2" tall.
