Victorian inlaid walnut shaped oval work-table

Price

Sold**Item Reference: SA377250****Date of manufacture: Victorian**

Description

Victorian inlaid walnut shaped oval work-table Here is a very fine example of a Victorian sewing table. This is the superior model of this type of table and very hard to find. The shaped oval top with fine kingwood banding as well as boxwood scrolls and bell-flowers to each corner. The well figured walnut lid opens to reveal various lifting compartments and a well for good storage. The table is set on well turned and carved end supports with cabriole legs and a pole stretcher 65cms wide 47cms deep 72cms high
