Description

Good early George III large size Cuban mahogany veneered Vauxhall type mirror with gilded decoration. There is carved and gilded decoration up each side of the mirror and a very nice carved and gilded central top part. The mirror retains its original beveled glass plate. I think the upper side ears might have been re-shaped slightly some time ago, certainly not recently otherwise this is a very nice large size mirror in good condition. The colour and patination are superb. SIZES; The overall size is 47" tall by 23" wide. The exact size of the mirror plate is 27" by 17".
