Description

This is an exceptional example of a gents watch made by the premier Swiss maker Longines. This is an extremely rare model with a rectangular shaped case and a square sub second dial, very much of the Art Deco era. It has a calibre 19.4 manual winding movement which is of the highest quality and as you can see is sparkling clean and in fabulous condition. The dial, hands and batons are completely original and unmarked, it has not been restored or retouched in any way. Of course it is fully marked with Longines logo. It has had a new glass fitted and the case has been professionally cleaned and polished so is absolutely pristine. The case measures 25mm x 37mm without the winding crown. The watch comes with a high quality wooden presentation box to keep it in perfect condition. As you would expect from Longines the watch is fully marked on the dial, movement, crown and case. It has a new premium grade chestnut brown leather strap. It is extremely rare to find this watch in totally original condition and much sought after by collectors. The watch movement has just been fully serviced and is guaranteed to be a genuine Longines in all respects. This watch has been ...
