Description

This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. The watch is the calibre 565 24 jewels automatic movement, as you can see it is in fabulous condition. The slightly textured silver dial is simply quite stunning and completely original as are the hands and winding crown, they have not been retouched or restored in any way and in superb mint condition. The Seamaster logo on the back of the case is bright and crisp. It has gilt hands and baton markers and the quick set date facility. It also the Omega symbol on the crown and buckle and comes with its original box. A new glass has been fitted and the case has been professionally polished so it is in superb condition. As you would expect the watch is fully marked on the dial, movement and case. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch case measures 35mm in diameter not including the crown. Overall this watch is in outstanding original condition and highly sought after by Omega collectors indeed it looks as if it was rarely worn, indeed it is one of th...
