Description

Absolutely stunning Victorian opaline turquoise blue vase beautifully hand painted with flowers and butterflies, the result is raised by layers of paint, almost pate-sur-pate. The detail and quality is superb so please see the close up photos to appreciate it. It has a cased foot and flared neck. White beading around the foot and neck and the remnants of some gilding around the foot. It is possibly Harrach but unmarked. It measures 15" high and 6" wide. Condition is very good; there is a small surface mark inside the rim and another at the back. The enameling is excellent. Price includes shipping within the UK. Worldwide shipping is available, please ask for a cost. Payment is accepted by Paypal, bank transfer or cheque.
