Description

Lovely super stylish pair of art deco silver salad servers in their original case. Lovely design with curved heads and angled, stepped handles with reeded band decoration. Hallmarked for Sheffield 1939, maker Angora Silver Plate Company. Would make a lovely present, a sure way to make a simple salad more indulgent with solid silver. Certain to get a few admiring "oohs" from your guests! They measure 8 3/4" long and weigh a healthy 134g/4.73oz/6.16ozt. Condition is very good, no dents and some light surface wear. The case is in good condition but there is some discolouration coming to the silk.
