Description

Absolutely stunning 1930's Art Deco all pink mirror glass centre table. This fabulous, glamorous table features thick cut bevelled pink coloured glass to all edges all resting on a walnut veneered plinth. It has a fabulous conical shaped stem and is extremely heavy. These tables are very hard to source. This isn't a coffee table (please see dimensions) but more a centre table as it's much taller than occasional tables. These are perfect for hallways or living rooms that you want to give the full "Fred and Ginger" look to. Overall condition is excellent and quite remarkable given its age. There are no chips that we can find, just some very minor foxing to one edge. The top which normally suffers surface scratches is almost immaculate, with just one or two surfaces marks that are relatively hard to spot unless you're searching for them. Measurements: Height = 24½" (Approx 62cm) Width = 24" (Approx 61cm) Diagonal = 29½" (Approx 75cm) Delivery £45 UK mainland.
