

SA379656

19th CENTURY BRISTOL BLUE & SILVER PLATED DECANTER SET

Price

Sold**Item Reference: SA379656****Date of manufacture: 1870**

Description

Good 19th century Bristol blue glass and silver plated mounted decanter set with its original silver plated stand. The blue glass bottles are a lovely rich blue colour and the original silver plated top sections are in good order with only very little wear. The hinges are also in very good order. The original stand is a very nice design especially the central handle section and the feet and is also in good order with only slight wear to the plating in places.
