Description

A Swiss silver trench watch originally retailed by J W Benson. The watch measures 32mm diameter excluding the winding crown and the fixed wire lugs. The case is silver and there are hallmarks inside the case back for Glasgow 1933 with an importer's mark for J W Benson. The case is in good condition with just minor marking. The lens is in good condition. The enamel dial is in very nice condition and has blued steel hands, a subsidiary seconds dial and an outer minute track. A new black leather strap has been fitted.
