Description

This is a beautiful example of a ladies wristwatch made by the world renowned premier Swiss maker Longines. It has a solid 18ct white gold case and exquisite diamonds which are incredibly white, bright and crisp. The design is very much of the Art Deco design and this is complimented by the etching to the sides of the case. It retains its original solid 9ct white gold bracelet which has a sliding clasp and will fit any wrist size. It is classic, a new glass has been fitted and the case professionally cleaned and polished so it is absolutely pristine. The movement is an absolute gem, sparkling clean and in like new condition, this is a movement from the golden age of Swiss watchmaking. It comes complete with a new premium presentation box to keep your watch in perfect condition. Longines are one of the most exclusive makers in the world and this watch certainly has that understated elegance which resonates class. The watch case measures 15mm wide and 34mm long not including the crown. Overall this watch is very elegant and was obviously extremely well cared for, it would certainly make a perfect gift for any lady especially when worn with that little black dress ...
