Description

An antique Limit full hunter pocket watch and chain. The watch has a Swiss jewelled stem-winding movement which has been checked and is working nicely. The movement is signed with the Limit name. The movement is protected by an inner hinged cover which has scratches on it. The watch measures 50mm diameter excluding the winding stem and the loop. The case is gold plated and is in good condition with just a little unevenness in places and general light marks just from use. The winding crown pushes down to open the front cover. The watch has a white enamel dial with Roman numerals, a subsidiary seconds dial and an outer minute track. There is a little patch of short hairline cracks between 4 and 5 but not too noticeable to the naked eye. The plastic lens is in good order. The watch comes with an Edwardian chain which measures approximately 30cm long. PRICE INCLUDES WORLDWIDE POSTAGE
