

SA380113

Victorian Doctor's Sword Stick Cane

Price

Sold**Item Reference: SA380113****Date of manufacture: 1890**

Description

Topped with a silver cap (London 1895), engraved to a Dr Tristan of Retford in Nottinghamshire, this malacca sheathed sword stick has a Toledo steel blade with a twist locking mechanism and so is a quality specimen. It is in very good condition although the silver top has taken some knocks over the years. Size: Overall length - 35" (89cms) Blade length - 27.5" (70cms)

Internal Ref: 30439
