Description

This is a very fine and exquisite example of a ladies wristwatch made by the world renowned premier Swiss maker Tudor, part of the Rolex group. It has a platinum case surrounded by diamonds and then more diamonds to the the most beautifully designed lugs, very much of the Art Deco era in design. As you would expect from Omega the diamonds are bright, crisp and evenly matched. It has decorative engraving around the side of the case which is a sign of pure quality. The bracelet and clasp is of solid 9ct white gold and it just simply glides around the wrist. The bracelet is adjustable and will fit any wrist size. The was case measures 19mm not including the crown and the total length from each end of the lugs is 40mm. It is quite stunning, the dial is in superb condition. A new glass has been fitted and the watch and bracelet professionally cleaned and polished so it is absolutely pristine. It has a top grade caliber 680 17 jewel manual wind movement - it is an absolute gem, sparkling clean and in like new condition, this is a movement from the golden age of Swiss watchmaking. As you would expect from Tudor the watch is fully marked on the dial and movement. It c...
