Description

Here we offer this high quality Victorian bookcase. This would have been made in one of the best workshops of the period, probably by Holland. The top glazed section is fitted four shelves that can be adjusted to the heights required to store your books. The base consists of a double door cupboard that is fitted a shelf which is below 1 long drawer. Each fitted the lovely turned knob handles. Wherever you look you can see the quality of the cabinet makers work. We have prepared this superb bookcase in our own workshops and use traditional restoration techniques, using the best waxes to give it the most wonderful finish. Imagine this lovely eye catching piece in your home, and the feel it will give your home. 106cms across cornice 43cms deep 216cms high Bookcase shelf depth 23cms 'There is hardly anything in the world that some man cannot make a little worse and sell a little cheaper, and the people who consider price only are this man's lawful prey.'
