Large 16th Century Oak Flemish Carved Panel

Price

GBP 1,800

| USD \$2,454 | EUR 2,100

Item Reference: SA380934

Date of manufacture:

Description

A rare and very nicely carved large 16th Century Oak Flemish panel of good colour and patina. Depicting the nativity. The arch on the left hand side with the flower carved in the corner has been replaced some time ago. This panel was probably fitted above a door originally in a large house. Dimensions 41" wide 22" high
