Description

Fine quality pair of Regency mahogany sabre leg arm chairs of great design. The backs of these chairs are superb, the carving is crisp and they also have an inlaid brass line. The shape of the arms and the turning beneath are very nice. They both retain all their original blocks etc. The seats need upholstering as the webbing is starting to go otherwise these are in very good condition and they are comfortable to sit in. SIZES; 20 1/2" across the front. The depth is 22" and the overall height is 34" Nice colour.
