Description

19thc. oak dresser base Here we can offer you this good looking dresser base. The sideboard is fitted 3 drawers along the top and false drawers between the cupboards to each side that have a shelf. The cupboard goes the full length of the sideboard, the central drawer section (false) are a decorative feature, to make the dresser look pleasing to the eye. I have sold many of these lovely antique dressers over the years and i find that my clients find them invaluable and take them to their next home as they hold so much as well as looking glorious in any home setting 170cms wide 48cms deep 95cms high 'There is hardly anything in the world that some man cannot make a little worse and sell a little cheaper, and the people who consider price only are this man's lawful prey.' Ruskin
