Description

This is not an etching it is a painting of a Tiger Head after Frank Dicksee signed Doris R..... It is an exact copy of Dicksee's work and is simply stunning. It is very old and is still in it's original frame and has never been removed. It is in fabulous condition. It measures 42" high by 35" wide. It has been difficult to photograph because of the flash and this has reflected in the glass. Please view my other interesting items. Many thanks Karen
