Description

Fine quality two tier oval Edwardian satinwood and marquetry etagere with a music influence. This was obviously made by one of the top Edwardian cabinet makers such as Edwards and Roberts and was probably a commission piece for a music room. The marquetry is of very good quality and is of a superb design. The top oval is smaller than the bottom oval. The condition is very good for age, there is some age related marks and scratches but otherwise very good. SIZES; The top section is 27" by 13 1/2" and the bottom section is 35" by 22" and the piece is 32" high.
