Description

Very attractive large Royal Doulton art nouveau baluster vase with slip traileed decoration of yellow roses with brown foliage set against a yellow green marbled grown. Cream band around the collar, brown to the rim and foot and deep blue inside rim. Artist mark for Florrie Jones. It measures 11" high and 5" wide. Condition is excellent. I acquired this with another the same but they are a matched not mirror pair and vary slightly in colouring (fired in a separate batch or in a different part of the kiln) so I am selling separately but they do look handsome if you wanted to treat them as a pair, particularly if not immediately next to each other. I can send photos of them together, please just ask.
