Sold**Item Reference: SA382302****Date of manufacture: 1880**

Description

This attractive and practical walnut (two part) chest of drawers lends itself to be easily placed and enjoyed within many locations within your home. The craftsman cleverly constructed this chest, using a combination of timbers, veneers and mouldings that compliment each other perfectly - burr walnut to the drawer fronts, figured walnut to the sides, interspersed with ebonised mouldings. All the locks, handles, escutcheons and decorative mouldings are original. The overall quality of construction, colour and surface are excellent. All the drawers are deep enough to be practical. I am 6' tall and can easily see directly into the top drawer - quite often this is not the case with chests such as this. Width (including mouldings) 40 inches Height 64 " Depth 19" Carriage is nearly always carried out personally within London, Surrey and Sussex - Delivery is free for clients within mainland Britain - Professional, competitive and trusted courier and shipping companies are engaged for the remainder of our customers. We do strive to accurately describe and illustrate our stock within the 'Selling Antiques' website. However we do understand that it is not always possible t...
