Description

Edwardian silver English Lever pocket watch. The watch has a key winding movement which is ticking away nicely and the time keeping is good to around three minutes over 24 hours - a winding key is included. The movement is numbered 836647 and it has its original dust cover. The watch measures 53.3 mm diameter excluding the stem and loop. The case has Chester hallmarks for 1908 with the case makers mark G.S.E (George Stephen Burt). The case is in nice condition with only the odd minor mark and a small "ding" to the bottom edge. The watch lens is plastic and is in nice condition. The white enamel dial is signed English Lever. It has a small nibble under the bezel at 1 o'clock but otherwise it is in nice condition. The watch has gold coloured hands. Price includes worldwide postage.
