

SA382451

An antique Swiss silver pocket watch

Price

Sold**Item Reference: SA382451****Date of manufacture: 1900**

Description

An antique Swiss silver pocket watch. The watch has a key-winding movement which is ticking away and the time keeping is good to around 2 - 3 minutes over 24 hours. A winding key is included. The movement is protected by an inner hinged cover. The watch measures 54 mm diameter excluding the winding stem and the loop. The case is silver and has Swiss .935 silver marks. The case has light surface marking and the odd mild bruise but overall it is in nice condition for a piece of its age. The plastic lens is in nice condition. The white enamel dial has faint surface scratches although hardly noticeable but otherwise it is in nice condition. The watch has its original hands. Price includes worldwide postage.
