Description

A charming little pair of menu holders, they would look perfect either end of the dining table with a printed menu for a special occasion. I use these whenever I entertain and they always create interest and surprise with very little effort. These are an unusual form with a rectangular base standing on four original spherical feet. Each base is hallmarked for Birmingham 1910, late Edwardian in era. The makers initials are also present for the silversmith, Mitchell and Cooper. Excellent condition, measuring 1 3/4" x 1" x 1 3/4" tall. Item ID:37143 FREE Worldwide Registered Airmail Directly from London, England
