Description

Attractive Mellow Sounding Westminster Chiming 18th Century Style Oak Cased Triple Weight Longcase Clock - Ideal for today's lifestyle - would suit both modern and older homes being only 74 inches high and with balanced proportions. The 8 day movement strikes the number of hours on the hours & on each quarter plays the chime on rods. It has been checked, oiled and is offered in good antique working condition. Being weight driven there will be no problems with weak springs and the long pendulum offers good time keeping. Viewing fully recommended, please email or call Robert on 07899058752 to view at our Showroom or one of the Antique Fairs we attend. Buy with confidence with our Delivery & Set Up Service Available
