Description

Antique early Victorian mahogany chiffonier of exceptionally small proportions. This cabinet is in good original condition & has loads of character, with a great colour & patina. It has a solid mahogany top, rounded corners & two doors with arched panelled doors. The doors have a working lock & there is one shelf inside the cupboard. There are various old markings showing through the polish, but I believe this only enhances the overall look. If I had it stripped & polished, it would have lost all the lovely character. Width - 36.2", 92 cm Depth - 16.5", 42 cm Height - 36.2", 92 cm
