Description

Superb Omega solid 14ct gold gents wristwatch. This is an incredible example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. This is a rare Omega Seamaster Automatic, the very first Seamaster chronometer calibre 354. The dial is original and in remarkable condition just slightly yellowed with time and very even. The hands have the original lume and the crown is original with no signs of rub through on the gold plating. The case has only been ultrasonically cleaned and hand polished with a soft cloth, all of the edges and surfaces are sharp and even. As you would expect the watch is fully marked on the dial, movement and case. Inside the back are all of the correct markings including the Swiss squirrel hallmark for 14k gold, there are also no less than 12 servicing marks, clearly this was a prized and pampered watch. The heavy solid 14ct gold case is fully hallmarked and of course it has the Seamaster logo on the crown. It comes complete with a new premium quality chestnut brown leather strap. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers cl...
