

SA384702**BEAUTIFUL SET OF
EDWARDIAN CAST BRASS
FIRE IRONS**

Price

Sold**Item Reference: SA384702****Date of manufacture: 1910**

Description

Superb quality set of Edwardian heavy cast brass fire irons of beautiful design. These really are a very nice set of fire irons of the best quality from the period. Cast brass with beautiful elegant design handles with swags etc. The shovel also with engraved pattern to the pan. They are in very good condition with no damage and don't look to me to have been used much at all. SIZE; 27" long.
