Description

Superb English burr walnut bracket clock by Elliott. ~~~ Excellent condition throughout ~~~ This is a superb example of an English burr walnut bracket clock by the premier clockmaker Elliott. This is was Elliotts top of the range model with full Westminster and Whittington chimes, with chime silence and nighttime silence control, the mellow sound resonates beautifully. The burr walnut case has a wonderful rich colour and patina and the grain really does shine through, this is complimented by the original dial with a contrasting silver chapter ring. There are figural spandrels to each corner of the dial, a central floral motif and decorative mounts to the front of the case. The glass is in perfect condition. Each side of the clock has a glass panel to allow you to see the stunning quality movement as it is working. This particular clock was retailed by the clock specialist Dent of London in around 1960 but very much in the Victorian style and design. The movement is an outstanding piece of engineering and is totally original, it is one of the finest clock movements you will ever see. The movement has just undergone a full overhaul, clean and service by Alan Willi...
