Description

Gorgeous crystal cut glass with silver plated strap handle Victorian water jug in the style of Christopher Dresser. There are no plate marks however circa is 1885. The piece stands approx. 12 3/4" x 3" square. The image doesn't show the real intricacy in the cutting of the glass, which in our opinion, is superb. Worldwide, first class, tracked and signed for delivery is included in the price. It is in excellent condition with no chips or cracks.
