Description

Oak Barley Twist Floor Standing Standard Lamp This is a lovely example of this type of lamp, it stands on a heavy turned wooden base, the 2.5" barley twist is very attractive and this one has small platform just below the bayonet. The Lamp is in good condition, the wiring seems to be new but should be checked before use. The lamp is 60" high and the base is 14" in diameter. I have shown the lamp with a shade, this is not included. **TSR79** We Give Free Delivery to Mainland England & Wales, to see all of our current stock please visit our web site at www.elmgarden.co.uk.
