Description

Fully serviced with a 12 month warranty. This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. The watch is the calibre 501 20 jewels fully automatic movement, probably the best automatic movement made by Omega and is rare to find in a solid 18ct rose gold case. The fully restored two tone sub seconds dial is superb with no marks or blemishes and has gilt hands and baton markers. It has the Omega symbol on the crown. A new glass has been fitted and the case has been professionally polished so it is in superb condition. As you would expect the watch is fully marked on the dial, movement and case. The solid 18ct rose gold case is fully hallmarked. It comes complete with a new premium quality black leather strap and its original presentation box. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch case is slightly larger measuring 35mm in diameter not including the crown. Overall this watch is in outstanding condition and highly sought after by Omega collectors indeed it looks as if it was rarely worn. The wat...
